Dickinson's Pine Tree Brand Timothy Seed Still The Standard Of Value

Even with the short 1934 crop we have been fortunate in securing the proper quality to put up under the PINE TREE Brand—good color, bold berry and well cleaned, which indicates high purity and germination. We do not put out Timothy Seed under the PINE TREE Brand showing purity of less than 99.60% or germination of less than 90%.

Today's value:

\$22.00 per 100 lbs.

f. o. b. Chicago, bags extra at value, prompt or March shipment.

Note Dickinson's recleaned Fancy Red Top, ACE Brand, purity 90 to 92%, germination 90% or better, at

\$13.50 per 100 lbs.

f. o. b. Chicago, bags extra at value, prompt or March shipment.
